

R.K HOMES

Affordable homes in
thriving communities

The Gap

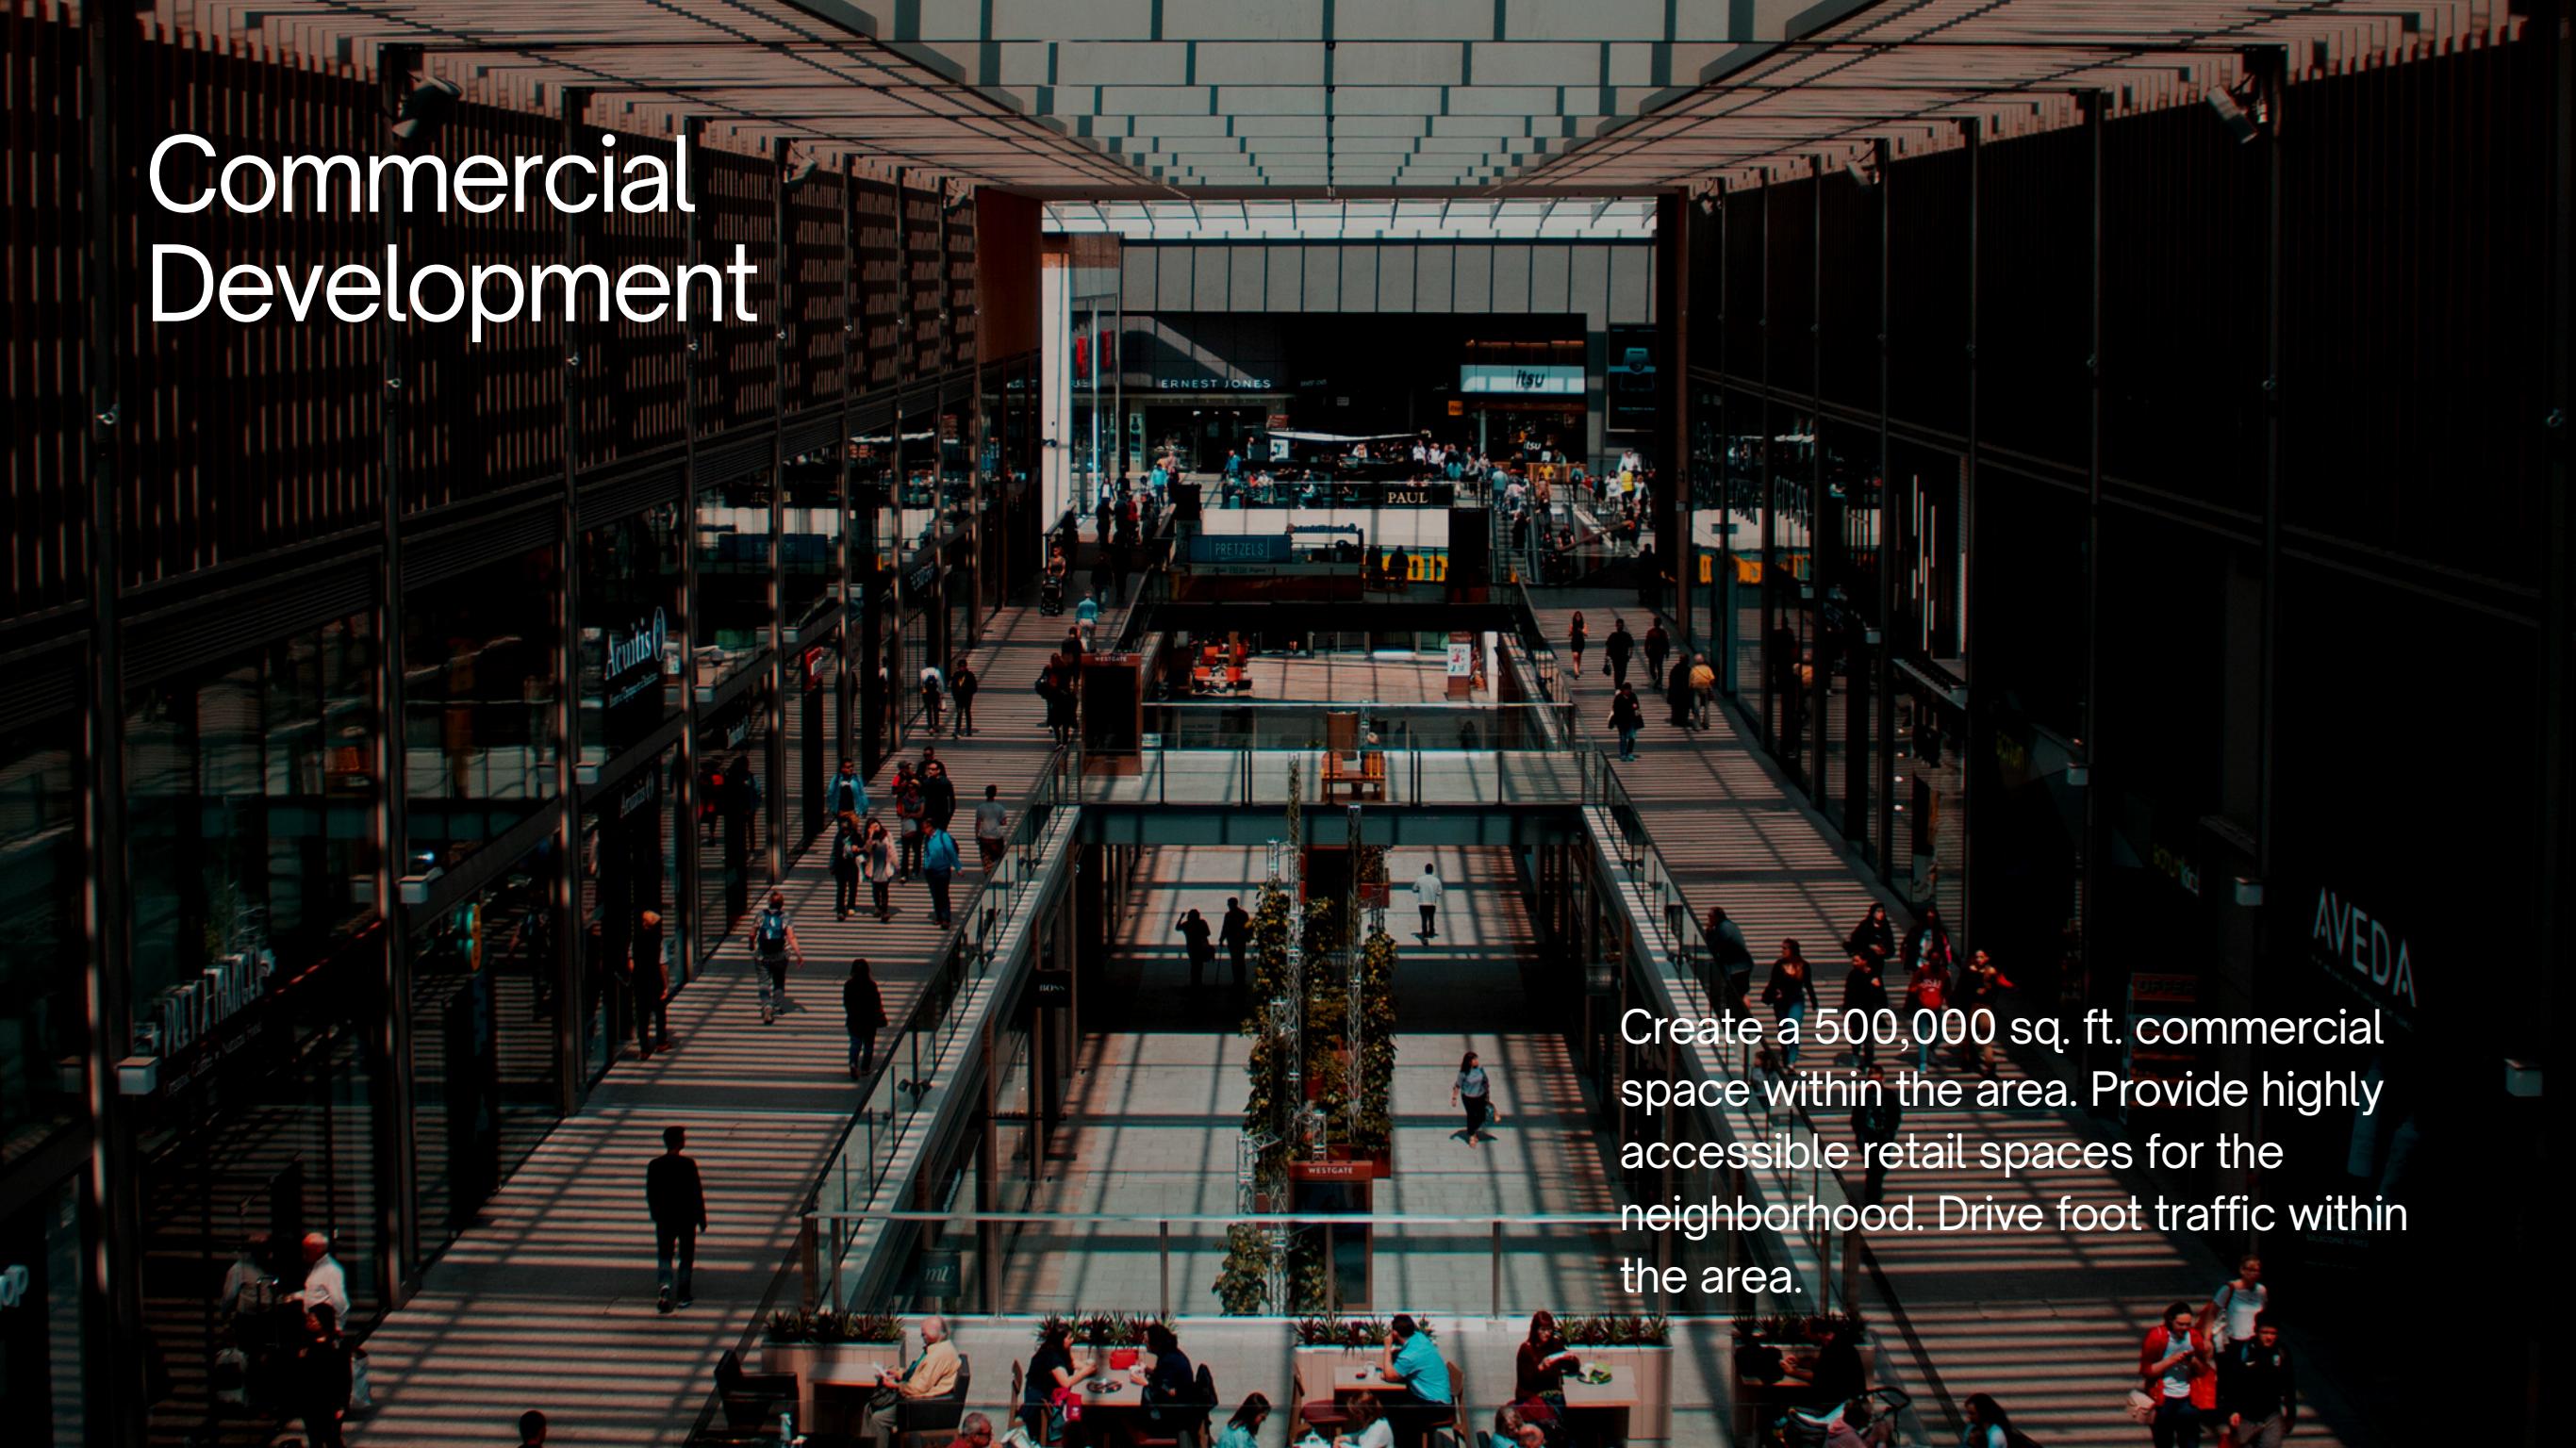

Professionals and new families are looking for homes that are accessible to their lifestyle needs.

Residential Projects

Build 500 affordable residential units within 5 years. Develop a residential area just off the city center. Tailor the project to the needs of professionals and young families.

Commercial Development

Create a 500,000 sq. ft. commercial space within the area. Provide highly accessible retail spaces for the neighborhood. Drive foot traffic within the area.

What It Could Mean

Increase in sales and
real estate market

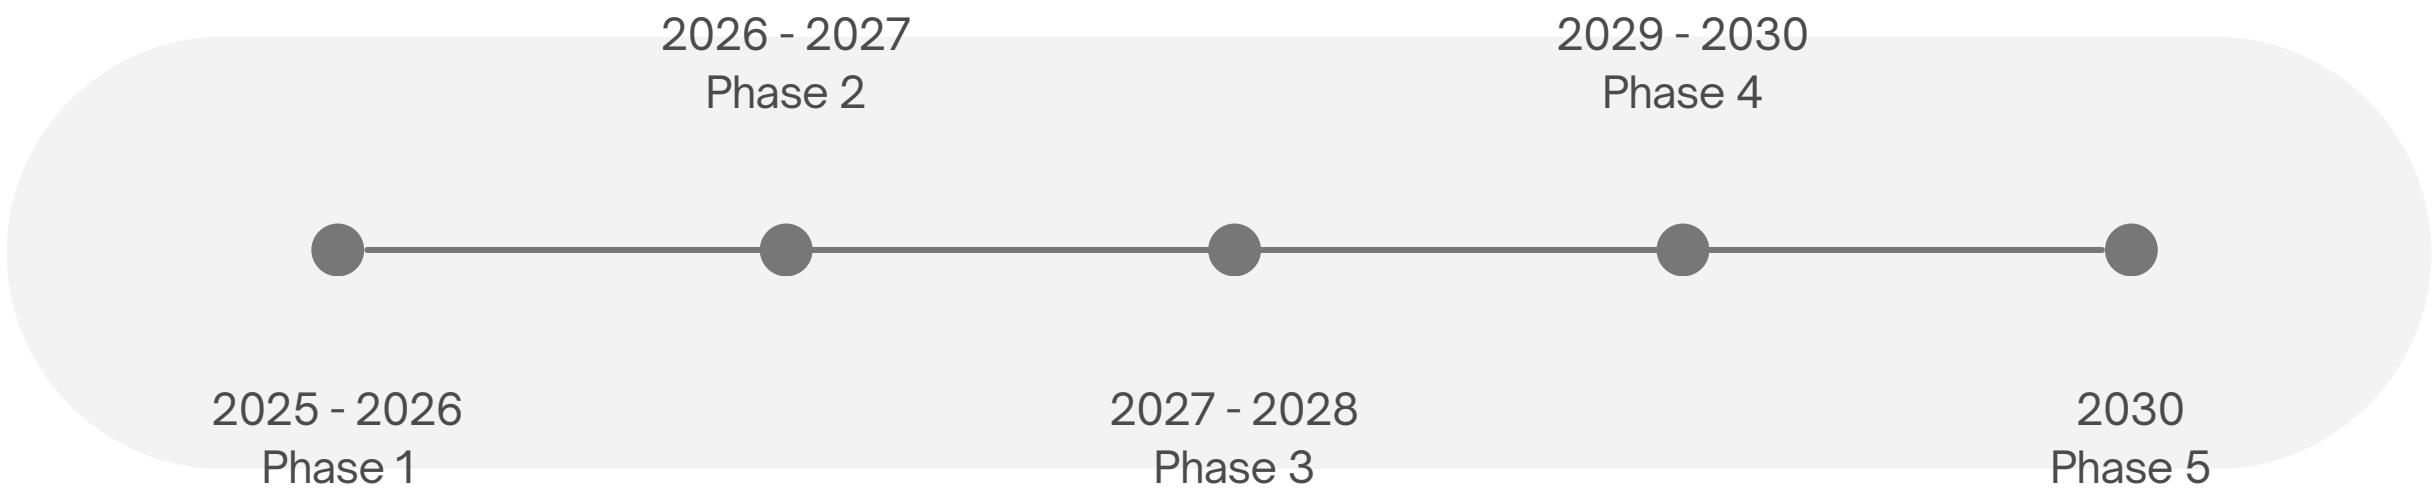

A new lifestyle place
for residents and
business owners

A thriving community
for everyone
